

## **Reopening Sunday Worship**

**First and Foremost:** If you have any of the following symptoms: fever above 38 C, a new or worsening cough, sore throat, runny nose, fatigue, muscle pain, diarrhea, or a loss of sense of taste or smell – please stay home and call your doctor, or # 811.

- 1) As we are allowed only 50 people, please arrive by 10:40 am.
- 2) Please consider bringing your own mask. Some masks will be available but bring your own if you're able.
- 3) The church building will open using only the main (West Street) doors. The other doors will still comply with fire code as emergency exits, but everyone is encouraged to use one door.)
- 4) Please maintain social distancing as you line up to enter. (6+ feet, or 2 metres)
- 5) Please do not gather downstairs prior to the service, or after the service.
- 6) Bulletins are on the table just inside the sanctuary.
- 7) On your way to a pew please try to touch as few surfaces as possible. This includes doorposts, walls, pew backs, etc.
- 8) Please do not enter pews that are taped off. Open pews are clearly indicated, and are at least 6+ feet, or 2 metres apart.
- 9) Current regulations mean that congregational singing is not allowed. For now we'll play a few verses and invite you to follow along in your head.
- 10) At the end of the service the minister will not go to the door to shake hands. Please do not shake anyone else's hand either.
- 11) Please leave your offering in the jar on the table in the foyer.
- 12) The washroom in the lounge is available. Downstairs washrooms are open in an emergency but we're trying to limit folks from traversing the building.

**Thank you for coming!**

**We hope you felt blessed by gathering together**
